Warm Your Hearts This Winter!

Join us in our Memory Care Neighborhood for *Winter Fun in the Sun* - an evening designed to bring smiles, spark connection, and create meaningful moments together. Spend quality time with your loved ones in a joyful, relaxed environment while enjoying themed snacks and refreshments, live music and sharing in the simple pleasures that make memories last.

Chanel Rushin, Memory Care Director, will also introduce an exciting new program coming to North Willow: *Pathways to Purpose* - a thoughtful approach focused on engagement, connection, and well-being.

We look forward to sharing this special evening with you and hope to see you there!
